The Margaret Lewis Trophy is awarded to the team with the highest score after the lowest scoring recurve and the lowest scoring compound has been subtracted from the overall team total.

1st Place	Gloucestershire Archery Society	10,853
2nd Place	Somerset County Archery Association	9,759
3rd Place	Devon & Cornwall Archery Society	8,404

Thanks to Burnham Company of Archers for hosting the shoot, to Nick Nicholson for Judging and all his other help and to Claire for being such a cheerful Lady Paramount and for running the refreshments.

It was a shame that the weather couldn't have been kinder - if the rain had held off for another half hour at the end of the day it would have made things so much better! Well done to all you archers - and thank you to the scorers, you did a great job in keeping the score sheets dry!

Also, thanks to all you 'taxi drivers', supporters, etc. - I hope you didn't get too wet!

And lastly, many thanks to the Team Managers who got you all together and sorted the scoring out.
