The weather held perfectly for the whole day. Warm sunshine and no wind making it a perfect day for archery.

This was reflected in many of the scores. The shoot was competitive but friendly with many new people entering the tournament for the first time.

A big thank you to all the ladies in the catering team who kept us all fed and watered throughout the day and to Doug Human as Gentleman Patron whose guidance and advice during the day helped the administration go smoothly.

Thank you to everyone who helped set up and take down the range. Without your support and hard work the holding of this tournament would be nigh on impossible.

I hope to see many of you again next year.

Thank you
