Windy but dry is all that could be said for the weather though once shooting finished the sun made a brief appearance! Despite the wind the archery was of a good standard.

The shoot was competitive but friendly and it was really good to see many new people entering the tournament for the first time.

A big thank you to all the ladies in the catering team who kept us all fed and watered throughout the day and to our Lady Paramount, Anna Alred.

Thank you to everyone who helped set up and take down the range. Without your support and hard work the holding of this tournament would be nigh on impossible.

But a big thank you must go to all the archers who took part. Great sportsmanship and genuine friendship ensured that everyone enjoyed the day. Thank you to everyone who have contacted with your feedback and thanks for the day - it is very much appreciated.

Finally, thanks to Carl Alred of The Archery Shop for providing financial support for the event.

I hope to see many of you again next year.

Thank you
