I am pleased to say the weather held good this year and with no sign of rain and remarkably little wind made the conditions for archery almost perfect. This I think is supported by the fact that 11 County Records (highlighted in yellow) and 2 Regional Records (highlighted in green) were broken - thanks to The County Records Officer, Chris Johnson for checking the scores. NB - for those who wish to claim the record please visit the SCAA website. On the County Record tab there is a claim form. Please complete the form and return to the County Records Officer who will process it.

The shoot was competitive but friendly and it was really good to see many new people entering the tournament for the first time. As always when organising a tournament there are so many people to thank and there is always the fear of missing someone off the list! But here goes. My thanks to the following:

To our Lady Paramount, Gillian Taylor-Moss for her guidance on the day and the great cakes she baked for the team who helped me pack away all the accessories at the end of the day.

To our judges, Denise Burgess (Candidate Judge and I/c for the day) and John Cunningham. The advice and friendly approach of both judges to the archers and myself helped with the organisation and smooth running of the day and the competition.

A special thank you to Ross Merrifield for helping to find arrows and supporting the whole event behind the scenes and to Ann Davey for organising the raffle. I would like to thank everyone who gave so generously to the charity for Muscular Dystrophy - we raised a total of £124.

To the team of club members who helped set up the range on Saturday and helped on the day - without your support and time you gave to the event the holding of this tournament would not be possible.

But a big thank you must go to all the archers who once again supported the event and a big welcome to all the new faces we saw yesterday - I hope this has encouraged you to participate in further tournaments. Great sportsmanship and genuine friendship ensured that everyone enjoyed the day.

Thank you to everyone who have contacted me saying how much they enjoyed the event, with your feedback and thanks for the day - it is very much appreciated.

Finally, thanks to Carl Alred of The Archery Shop for providing financial support for the event.

I hope to see many of you again next year. Thank you

Paul Maines
