Congratulations to you both!

Dunster 2021 – the year of foam and grass!

I hope you all enjoyed this year's "Dunster Lite", it certainly seemed as though you did. Seeing happy archers meeting up with old friends and new after what has been such a difficult time for many makes the hard work worthwhile.

My thanks go out to;

Tim Jackson who acted as my "Covid Officer" making sure everything was in place to ensure the event could go ahead safely. Tim also worked with dad in the week prior to Dunster setting up the field as Chris Hassall was not around this year so thanks to dad too 😊

The "Happy Campers" plus the off-site volunteers who helped throughout the week with lifting and shifting, facing up and other tasks that keep the Dunster Week wagon rolling along smoothly.

The Office Crew who stepped in to help with results and general admin during the week as my usual "Office Angel" Helen Press was unable to attend this year.

Anne Perryman and her catering team for keeping us fed and watered 😊

The judges who understand and maintain the "Dunster Vibe" whilst ensuring things are done safely and properly.

Tenzone Steve for being an extra pair of hands all week. I think you will all agree the field looked great with the foam bosses and they were a joy to shoot on.

Dunkery Bowmen for setting up the field course and providing food and drink on the day.

You the archers for supporting the event this year, embracing the changes we had to put in place and bringing the fun back to shooting.

And finally

A huge thank you to Paul for putting up with me being tired and more than a little grumpy at times as it has been rather a task putting on Dunster 2021. At times I didn't think it would happen, but with perseverance, a bit of persuasion and an awful lot of hard work it did!

Here's to Dunster Week 2022!
